Ken Read

"I've never met a storm I couldn't race myself and my team through. Its about guts not gusts."

When Ken Read's at the helm, you know you're not backing down from a challenge. Far far away, behind the word mountains, far from the countries Vokalia and Consonantia, Far far away, behind the word mountains, far from the countries Vokalia. there live the blind texts.

WINDS APPROACHING
From our last weather update they have a pretty nasty 50 knot mistral to deal with on Sunday as they get a little further east....
